StoneHenge E-commerce Pvt. Ltd. was established by two guys Mr. Sukhwinder Singh Arora and Mr. Jupinder Singh Arora. Before few years back they are two technical guys who are working in the Information technology from more than 8 years and are trying very much hard to do something for the human benefit because as per their thoughts technology is the only thing in the world which is made to work for the human benefits and thus make daily routine life of every single human being more simple and easy. This is the reason they want to do something innovative so that it is beneficial for both human and their well being.

After couple of months finding and exploring in different things they are not able to get the right things but then one of the director's friend who is living in the Amritsar and was dealing in the transportation from more than 10 years and specially in the bus travels services give them the idea to start something related to the online bus ticketing service including the complete timings and bus fare of all the inner and state buses.

So that it will be easy and simple for everyone to travel through the bus and get connected to their near beings. This idea got fitted in both the partner who eagerly want to do anything for the human welfare and the never ending of the runbus started.

We also offer tickets for bus for a single side and also for the roundtrip as well and are able to provide volvo, A/C , sleeper or deluxe bus tickets for any corner of the india as well and you are not able to get any type of inconvenience because of our quality service.

We understand the information of a particular person is more important than any thing else in this world and thus user can easily understand your privacy. This could be the reason that we served our site on a secured server and implement some of the great technology in runbus.in
